Love Her Or Lose Her Tessa Bailey 2020-01-14 One of Oprah Magazine's 22 Romance Novels That Are Set to Be the Best of 2020 + Marie Claire's Best New Books of 2020 New York Times bestselling author Tessa Bailey

returns with a unique, sexy romantic comedy about a young married couple whose rocky relationship needs a serious renovation... Rosie and Dominic Vega are the perfect couple: high school sweethearts, best

friends, madly in love. Well, they used to be anyway. Now Rosie's lucky to get a caveman grunt from the ex-soldier every time she walks in the door.

Dom is faithful and a great provider, but the man she fell in love with ten years ago is nowhere to be found. When her girlfriends encourage Rosie

to demand more out of life and pursue her dream of opening a restaurant, she decides to demand more out of love, too. Three words: marriage boot

camp. Never in a million years did Rosie believe her stoic, too-manly-to-emote husband would actually agree to relationship rehab with a weed-

smoking hippie. Dom talking about feelings? Sitting on pillows?

Communing with nature? Learning love languages? Nope. But to her

surprise, he's all in, and it forces her to admit her own role in their cracked foundation. As they complete one ridiculous--yet surprisingly helpful--

assignment after another, their remodeled relationship gets stronger than

ever. Except just as they're getting back on track, Rosie discovers Dom has a secret... and it could demolish everything.

Nicole made a bold move by dumping her fiancé at the altar. From there, she's built a successful career, relocated north to Oakland, and fallen in

love all over again--this time with a woman. But Nicole's still not entirely happy. Don't get her wrong--she likes what she has. It's just that she

misses what she had. The question is, can she have it all? As she brings her ex back into her life and tests the boundaries between lovers, you'd

better believe that the anger, jealousy, excitement, and passion of this triangle are going to run hot... Nicole is playing with fire, not to mention

the feelings of the two people who love her most in the world. How these three fascinating people handle this unusual and complex relationship

makes for one of Dickey's most provocative and unforgettable novels.

The Hazards of Skinny Dipping Alyssa Rose Ivy 2013-05-21 This isn't a deep book about first loves or self-discovery. If you want a book like that, I'd be happy to recommend one, but I don't have that kind of story to tell. Instead my story is about rash decisions and finding out that your dream guy is bad in bed. It's the story of when I finally went skinny dipping, and how my life was never the same again. Oh, and it's also the story of my freshman year of college and realizing Mr. Right might have been there all along. * New Adult Contemporary Romance / New Adult Romantic Comedy *

The Art of Homemaking Daryl V. Hoole It is intended that women be happy and successful in their homemaking. Being a homemaker is a divine appointment and is a woman's greatest calling. It should be rich in the rewards of joy, satisfaction and accomplishment. All too often, however, women feel confused, distraught or bored with their role as homemakers. They frequently dread each day, live for the time when their children will be raised so they can be released from it all, or they escape from their responsibilities to their home and family and return to the business world.

Other women do enjoy their homemaking activities but find their work consumes most of their day and there is little time for other interests. Many women are wonderful homemakers and managers but are eager for new ideas and skills to make their homemaking even more effective and satisfying. To all of these women, this book offers a practical guide to happier homemaking. It recalls to mind the significance of homemaking and gives their attitude a lift. When the suggestions concerning order and efficiency, methods and approaches are applied, coupled with the workable plan which systematizes the routine duties, women will find their interest in homemaking greatly increasing and that there will be time to get their work done and enjoy creative activities, family fun and personal development. This is not just a book on how to keep house; it offers a way of life which will bring joy and satisfaction to the homemaker and rich, happy experiences to every family member.
