McMaster's Commercial Decisions Affecting the Banker and Merchant James Smith McMaster 1904

Watching You Lisa Jewell 2018-09-11 With every twist and turn you don't know what's going to happen. Another Lisa Jewell classic..... Melville Heights is one of the nicest neighborhoods in Bristol, England; home to doctors and lawyers and old-money academics. It's not the sort of place where people are brutally murdered in their own kitchens. But it is the sort of place where everyone has a secret. And everyone is watching you. As the headmaster credited with turning around the local school, Tom Fitzwilliam is beloved by one and all—including Joey Mullen, his new neighbor, who quickly develops an intense infatuation with this thoroughly charming yet unavailable man. Joey thinks her crush is a secret, but Tom's teenaged son Freddie—a prodigy with aspirations of becoming a spy for MI5—excels in observing people and has witnessed Joey behaving strangely around his father.

Ruins on Stone Hill F. P. Spirit 2016-12-06 Mix magic and mystery with four novice heroes and trouble is sure to follow. A dark malevolence threatens Ravenford--the town under siege by forces unknown. Their only hope may lie in four newcomers: Lloyd, a young warrior with blades of fire, Glolindir, an elven wizard as deadly to his friends as his enemies, Seth, a cynical halfling who may be an assassin, and Aksel, a quiet gnome whose very touch can heal.

From eerie woods to haunted ruins, secret passages to hidden rooms, they must unearth the root of the darkness that has Ravenford at its mercy. With death breathing down their necks, will they rise to the challenge and become the heroes that Ravenford so sorely needs?

The Pechenegs Aleksander Paroń 2021 "In The Pechenegs: Nomads in the Political and Cultural Landscape of Medieval Europe Aleksander Paroń offers a reflection on the history of the Pechenegs, a nomadic people which came to control the Black Sea steppe by the end of the ninth century. Nomadic peoples have often been presented in European historiography as aggressors and destroyers whose appearance led to only chaotic decline and economic stagnation. Making use of historical and archaeological sources along with abundant comparative material, Aleksander Paroń offers here a multifaceted and cogent image of the nomads' relations with neighboring political and cultural communities in the tenth and eleventh centuries"--
