Haunting Bollywood Meheli Sen 2017-03-01 Haunting Bollywood is a pioneering, interdisciplinary inquiry into the supernatural in Hindi cinema that draws from literary criticism, postcolonial studies, queer theory, history, and cultural studies. Hindi commercial cinema has been invested in the supernatural since its earliest days, but only a small segment of these films have been adequately explored in scholarly work; this book addresses this gap by focusing on some of Hindi cinema's least explored genres. From Gothic ghost films of the 1950s to snake films of the 1970s and 1980s to today's globally influenced zombie and vampire films, Meheli Sen delves into what the supernatural is and the varied modalities through which it raises questions of film form, history, modernity, and gender in South Asian public cultures. Arguing that the supernatural is dispersed among multiple genres and constantly in conversation with global cinematic forms, she demonstrates that it is an especially malleable impulse that routinely pushes Hindi film into new formal and stylistic territories. Sen also argues that gender is a particularly accommodating stage on which the supernatural rehearses its most basic compulsions; thus, the interface between gender and genre provides an exceptionally productive lens into Hindi cinema's negotiation of the modern and the global. Haunting Bollywood reveals that the supernatural's unruly energies continually resist containment, even as they partake of and sometimes subvert Hindi cinema's most enduring pleasures, from songs and stars to myth and melodrama.

The Legend of Lakshmi Prasad Lakshmi Prasad 2016-10-28 I am Lakshmi Prasad, native of Bitihar. I am doing PhD on a very important subject "Mating habits of gay chimpanzees in West Africa" at PANU University, the best University in India and possibly the best University in the world. My idols are "Faizal Guru", "Janab Kasab Sahib", "Focus Carat", "Baba Badkar", "Zakir Nalayak", "Gharkha Dutt", "Dr. Kana Ayyub" and all PhD students who had committed suicide since they failed to solve their PhD problems. I personally feel that, all deprived Indians should automatically be awarded a PhD degree coupled with a free pension of 1 lakh rupees/month to be delivered in cash via post at door step. Till then we are going to fight for azaadi from India. Imagine a day, when no PhD student would have to commit suicide, imagine a day, when no lower caste will be humiliated by upper caste, s/he can use his/her doctorate degree and force others to call him/her Dr. X, Dr. Y, etc.

Hema Malini Ram Kamal Mukherjee 2017-10-10 One of the most enduring divas of Hindi cinema, a producer and director for films and television, dancer and choreographer par excellence, magazine editor, an active member of Parliament and now a singer, Hema Malini wears many hats with admirable ease. No other industry name comes close to matching the breadth of her achievements. In an industry where the male star has traditionally driven the commercial success of films, Hema was an exception, with her name

alone sufficing to ensure a film's box-office glory. She was, arguably, India's first female superstar. Apart from starring in mainstream super-hits like Johny Mera Naam, Jugnu, Andaz, Seeta Aur Geeta, Sholay and, more recently, Baghban, she received critical acclaim for her performances in Lal Patthar, Khushboo, Kinara, Meera, Ek Chadar Maili Si and Razia Sultan. But there is much more to her than just her Bollywood journey. From her efforts at reviving and sustaining classical dance to her graceful handling of her personal life and the controversies that have plagued her in her political avatar, from her relationships to her religious beliefs and her recent tryst with singing, Hema Malini: Beyond the Dream Girl covers it all. With detailed interviews and exclusive anecdotes from her family, friends and co-actors, this is an inside look at the remarkable life of one of our greatest cinema icons, someone who has truly lived life on her own terms.

Strategic Management of Human Capital in Education Allan R. Odden 2011-03-01 Strategic Management of Human Capital in Education offers a comprehensive and strategic approach to address what has become labeled as "talent and human capital." Grounded in extensive research and examples of leading edge districts, this book shows how the entire human resource system in schools—from recruitment, to selection/placement, induction, professional development, performance management and evaluation, compensation, and career progression—can be reformed and restructured to boost teacher and principal effectiveness in ways that dramatically improve instructional practice and student learning. Strategic Management of Human Capital in Education guides educators towards putting more effective teachers, teacher leaders, and principals in the country's schools—especially in poverty-impacted urban and rural communities—equipping those teacher and principals with instructional and leadership expertise, and rewarding and retaining those who are successful in attaining these objectives. Drawing from cases, experiences, and deliberations from a national task force, this book outlines a comprehensive framework for how to transform current human resource management practices into authentic, strategic talent management systems in order to improve student achievement.

Me Hijra, Me Laxmi Laxmi 2015-02-20 He was born a boy, but never felt like one. What was he then? He felt attracted to boys. What did this make him? He loved to dance. But why did others make fun of him? Battling such emotional turmoil from a very young age, Laxminarayan Tripathi, born in a high-caste Brahman household, felt confused, trapped, and lonely. Slowly, he began wearing women's clothes. Over time, he became bold and assertive about his real sexual identity. Finally, he found his true self—she was Laxmi, a hijra. From numerous love affairs to finding solace by dancing in Mumbai's bars; from being taunted as a homo to being the first Indian hijra to attend the World AIDS Conference in Toronto; from mental and physical abuse to finding a life of grace, dignity, and fame, this autobiography is an extraordinary journey of a hijra who fought against tremendous odds for the recognition of hijras and their rights.

Disease of HYSTERIA Noreen Habib 2021-11-02 All night long, I wouldn't guarantee you. On the off chance that you're prepared to protect yourself from the different substances sneaking in each side of this

town, ready to bounce on you any second, I'll let you be. Notwithstanding, if you bomb in doing thusly, you'll need to pay for it with your life," The certified air including him surprisingly evaporated as he gave me a significant grin, showing me a lot of flawlessly changed brilliant white teeth meanwhile, "Aside from assuming, clearly, you demand my help. Three helplines you have. If you somehow managed to demand that I help you for the third time," He halted momentarily, diminishing the cold grin to a little moved smile as he looked at me with a lot of glimmering brilliant eyes, "You'll be mine." With that, his body changed into a significant gathering of interminable dim butterflies, making me let out an uproarious yell from the unexpected shock, "Run, dear. Run." He had disappeared from my sight yet his prospering voice continued to resound around the absolutely peaceful natural variables, making my blood turn cold.

The Making of Don Krishna Gopalan 2014-09 When Chandra Barot set out to make Don, it was not with the idea of giving birth to one of India's most iconic thrillers but to make a good film for a good cause. No one involved with the making of the film foresaw the kind of overarching impact it would have, not only in terms of its success at the box office but in spawning a cult phenomenon that would stay strong more than three decades later-with its slick theme, fantastic music and unforgettable dialogues, that is what Don became. The journey of Don was not an easy one. Shot over four years, it faced several hurdles before making it to the theatres. While the casting and music of Don have now acquired legendary status, there were some close shaves before it all came together: Iftekhar's role of the cop was eyed by a big star of the 1960s; getting Kalyanji-Anandji to compose the score called for a delicate balancing act; it was only thanks to the shrewd advice of a mentor that the super-successful 'Khali ke paan Banaras wala' was included at the very last minute. And, wonder of wonders, it was not Amitabh Bachchan who was paid the most for the film! Through a fast-paced narrative born out of interviews with the cast and crew, and supplemented with rare photographs from the director's archives, The Making of Don tells a tale that is as compelling as the one that finally made it to the big screen. Engaging and captivating, this is the story of one of Bollywood's most memorable classics.

Guns & Thighs Ram Gopal Varma 2015-12-01 In these delightfully candid musings about his life and his cinema, RGV reveals the man behind pioneering Telugu and Hindi films such as Shiva, Rangeela, Satya, Sarkar, Bhoot and Company. Discussing a wide range of subjects, from the influences and circumstances that drew him to films to his cinematic techniques, his successful and unsuccessful films, his Bollywood idols, his relations with the media and the controversies dogging him, Guns & Thighs is as much about RGV's life and philosophy of life as about his films and the Indian film world. Characteristically, he pulls no punches, whether he's talking about movies, women or the media. Even when it comes to his own films, he embraces his failures as much his successes and dissects them with rare honesty and humility. Refreshingly contrarian and politically incorrect, this book discloses a perspective as colourful and larger than life as Indian films. It is not for RGV fans alone but for all those passionate about cinema and the people associated with it.

Stardom in Contemporary Hindi Cinema Aysha Iqbal Viswamohan 2020-01-03 In this book, film scholars, anthropologists, and critics discuss star-making in the contemporary Hindi-language film industry in India, also known as "Bollywood." Drawing on theories of stardom, globalization, transnationalism, gender, and new media studies, the chapters explore contemporary Hindi film celebrity. With the rise of social media and India's increased engagement in the global economy, Hindi film stars are forging their identities not just through their on-screen images and magazine and advertising appearances, but also through an array of media platforms, product endorsements, setting fashion trends, and involvement in social causes. Focusing on some of the best-known Indian stars since the late 1990s, the book discusses the multiplying avenues for forging a star identity, the strategies industry outsiders adopt to become stars, and the contradictions and conflicts that such star-making produces. It addresses questions such as: What traits of contemporary stars have contributed most to longevity and success in the industry? How has filmmaking technology and practice altered the nature of stardom? How has the manufacture of celebrity altered with the recent appearance of commodity culture in India and the rise of a hyper-connected global economy? By doing so, it describes a distinct moment in India and in the world in which stars and stardom are drawn more closely than ever into the vital events of global culture. Hindi films and their stars are part of the national and global entertainment circuits that are bigger and more competitive than ever. As such, this is a timely book creates opportunities for examining stardom in other industries and provides fruitful cross-cultural perspectives on star identities today. "Grounded in rigorous scholarship as well as a palpable love of Hindi cinema, this collection of 19 essays on a dizzying array of contemporary Hindi film stars makes for an informative, thought-provoking, illuminating, and most of all, a joyful read. Pushing boundaries of not only global Star Studies but also film theory as a whole, this de-colonised and de-colonising volume is a must read for film scholars, students and cinephiles!" Dr. Sunny Singh, Senior Lecturer - Creative Writing and English Literature, Sir John Cass School of Art, Architecture & Design, London Metropolitan University "A wide-ranging overview of Hindi cinema's filmi firmament today, focussing on its most intriguing and brightest-burning stars. The variety of approaches to stardom and celebrity by both established and upcoming scholars reveals a web of interconnecting stories and concerns that provide fascinating new insights into the workings of today's Hindi film industry, while shining fresh light on contemporary India and the world we live in." Gujarat Files Rana Ayyub 2016-05-18 Gujarat Files is the account of an eight-month long undercover investigation by journalist Rana Ayyub into the Gujarat riots, fake encounters and the murder of state Home Minister Haren Pandya that brings to the fore startling revelations. Posing as Maithili Tyagi, a filmmaker from the American Film Institute Conservatory, Rana met bureaucrats and top cops in Gujarat who held pivotal positions in the state between 2001 and 2010. The transcripts of the sting operation reveal the complicity of the state and its officials in crimes against humanity. With sensational disclosures about cases that run parallel to Narendra Modi and Amit Shah's ascent to power and their journey from Gujarat to New

Delhi, the book tells you the hushed truth of the state in the words of those who developed amnesia while speaking before commissions of enquiry, but held nothing back in the secretly taped videos which form the basis of this remarkable read.

Falkland Road 2005 Mary Ellen Mark first published her portrait of the prostitutes on Bombay's Falkland Road in 1981. This new edition includes previously unpublished photographs along with a new afterword by Mark. In 1978, Mary Ellen Mark convinced *Geo* magazine to send her on assignment to Falkland Road. During her three-month stay, she was able to earn the trust and acceptance of its people: prostitutes, madams, children, and customers. For this expanded edition the Marianne Boesky Gallery and the Yancey Richardson Gallery, both in New York City, will mount an exhibition of Cibachrome prints. A special edition of dye-transfer prints will be exhibited at the Fahey/Klein Gallery in Los Angeles.

Indian Cinema: A Very Short Introduction Ashish Rajadhyaksha 2016-07-20 One film out of every five made anywhere on earth comes from India. From its beginnings under colonial rule through to the heights of Bollywood, Indian Cinema has challenged social injustices such as caste, the oppression of Indian women, religious intolerance, rural poverty, and the pressures of life in the burgeoning cities. And yet, the Indian movie industry makes only about five percent of Hollywood's annual revenue. In this Very Short Introduction Ashish Rajadhyaksha delves into the political, social, and economic factors which, over time, have shaped Indian Cinema into a fascinating counterculture. Covering everything from silent cinema through to the digital era, Rajadhyaksha examines how the industry reflects the complexity and variety of Indian society through the dramatic changes of the 20th century, and into the beginnings of the 21st. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Hamlet William Shakespeare 2021-02-09 Hamlet, probably composed between 1599 and 1601, takes place in Denmark and tells how Prince Hamlet carries out his revenge on his uncle Claudius who murdered Hamlet's father, the king, and holds the usurped crown as well as nuptials with Gertrude, the mother of Hamlet. The play is vividly traced around insanity (both real and feigned) and the course from deep pain to inordinate anger. It also explores the themes of betrayal, revenge, incest and moral corruption.

Apostle Tom Bissell 2016-03-01 A profound and moving journey into the heart of Christianity that explores the mysterious and often paradoxical lives and legacies of the Twelve Apostles—a book both for those of the faith and for others who seek to understand Christianity from the outside in. “Expertly researched and fascinating... Bissell is a wonderfully sure guide to these mysterious men.... This is a serious book about the origins of Christianity that is also very funny. How often can you say that?” —The Independent Peter, Matthew, Thomas, John: Who were these men? What was their relationship to Jesus? Tom Bissell provides rich and surprising answers to these ancient, elusive questions. He examines not just who these men were

(and weren't), but also how their identities have taken shape over the course of two millennia. Ultimately, Bissell finds that the story of the apostles is the story of early Christianity: its competing versions of Jesus's ministry, its countless schisms, and its ultimate evolution from an obscure Jewish sect to the global faith we know today in all its forms and permutations. In his quest to understand the underpinnings of the world's largest religion, Bissell embarks on a years-long pilgrimage to the supposed tombs of the Twelve Apostles. He travels from Jerusalem and Rome to Turkey, Greece, Spain, France, India, and Kyrgyzstan, vividly capturing the rich diversity of Christianity's worldwide reach. Along the way, he engages with a host of characters—priests, paupers, a Vatican archaeologist, a Palestinian taxi driver, a Russian monk—posing sharp questions that range from the religious to the philosophical to the political. Written with warmth, empathy, and rare acumen, *Apostle* is a brilliant synthesis of travel writing, biblical history, and a deep, lifelong relationship with Christianity. The result is an unusual, erudite, and at times hilarious book—a religious, intellectual, and personal adventure fit for believers, scholars, and wanderers alike.

The Polyester Prince Hamish McDonald 1998 Dhirubhai Ambani's life is a rags-to-riches story, from Bombay's crowded pavements and bazaars to the city's extravagantly wealthy social circles where business tycoons, stockmarket speculators, smugglers, politicians and Hindi film stars mingle, make money, make and break marriages and carry out prolonged feuds. This is the story of a rising capitalist group in post-independence India. Until the arrival of Ambani, and now more like him, India's big business scene was dominated by a few industrial houses from British times. Ambani's Reliance group has risen to rival these houses in just 26 years since its foundation. By 1995, the group had 2.6 million investors, one in every eight Indian sharemarket investors, and is now so large that it has to hold its annual general meetings in football stadiums. Along with expansion, however, have come the intricate political connections, a whole raft of corruption charges and a rollercoaster of booms and crashes for Ambani and his company. This study shows how capitalism emerges by fair means and foul in the new industrial countries of the Third World and explores the life of an Asian tycoon.

The Forever War Dexter Filkins 2008-09-16 NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • NATIONAL BESTSELLER • The definitive account of America's conflict with Islamic fundamentalism and a searing exploration of its human costs—an instant classic of war reporting from the Pulitzer Prize winning journalist. Through the eyes of Dexter Filkins, a foreign correspondent for the New York Times, we witness the rise of the Taliban in the 1990s, the aftermath of the attack on New York on September 11th, and the American wars in Afghanistan and Iraq. Filkins is the only American journalist to have reported on all these events, and his experiences are conveyed in a riveting narrative filled with unforgettable characters and astonishing scenes. Brilliant and fearless, *The Forever War* is not just about America's wars after 9/11, but about the nature of war itself.
