

Dream Of Me Maker 1 Quinn Loftis

Getting the books **Dream Of Me Maker 1 Quinn Loftis** now is not type of inspiring means. You could not deserted going past book deposit or library or borrowing from your links to contact them. This is an very simple means to specifically acquire lead by on-line. This online notice Dream Of Me Maker 1 Quinn Loftis can be one of the options to accompany you behind having supplementary time.

It will not waste your time. bow to me, the e-book will extremely spread you further business to read. Just invest little mature to read this on-line declaration **Dream Of Me Maker 1 Quinn Loftis** as competently as evaluation them wherever you are now.

Elfin Quinn Loftis 2012-12-23 Before tonight Cassie Tate's biggest concerns were whether she could pass Algebra and how she was going to keep Elora, her best friend, from dressing her in a skimpy fairy costume for Halloween. Her feet were firmly planted in suburban reality and she had no reason to believe her life would be anything but that of a typical teenager. That is until tonight, when Cassie saw something that no human was ever supposed to see; in the blink of an eye she was thrown into the world of the Light and Dark Elves. He comes from a realm where light and dark have fought for millennia. He is of a race known to humans only in myths and legends. The darkness that lives inside him is a part of both who and what he is and it makes him the most gifted spy and assassin in the history of his time. His life is not his own; he lives in the service of the Dark Elf King. He slays who he must, has mercy on no one, is relentless in his hunt, and never tires of seeing his prey fall. He is Triktapic, assassin, spy, most feared of the Dark Elves. Now, in the midst of his King's complicated plans to expand the Dark Elves' holdings into the mortal realm, for the first time, Trik finds his loyalties divided. For no Elf, Dark or Light, can turn away from their Chosen. Unbeknownst to the mortal realm, the battle between Light and Dark is being brought to their doorstep. The only one who can keep it at bay holds darkness in his heart like a lover, and the one who can sway that heart must decide if she can look beyond his black past, beyond his evil nature and see the man he is destined to be. The questions must be asked, does love really cover a multitude of sins? Can true love actually conquer all or will his darkness consume those around him until all that stands is an assassin with the blood of the mortal realm on his hands?

The Hunt Begins Quinn Loftis 2022-04-26 How much heartbreak can one person take? Perizada, high fae, ambassador, mate, and friend to those in the Romanian pack, has lost her way. Everything about the fae is in question: her loyalty, her love, even her very existence. Still, her friends refuse to give up hope. The Order's compound has been brought to the ground, reduced to ash, but can Perizada's attack even be considered a victory given the sacrifice made to achieve it? What of the innocents trapped within the compound's walls? Were any of those lives spared? Even with all they have faced, the challenges, the loss and pain, Fane, Jacque, their pack, and allies remain steadfast in their fight against evil. Past experiences give them hope that not all is as it seems. Perhaps there are hearts that still beat where others perished. And always with them is their Creator, the Great Luna, an ever present help in trouble. She offers light when there is only darkness, love when the heart is broken, and forgiveness when transgressions overwhelm them. Their battle is far from over, but there is no victory without sacrifice. There is no light without darkness. There is no joy without sorrow. There are no miracles without faith.

The Vagabonds Jeff Guinn 2020-11-17 A "fascinating slice of rarely considered American history" (Booklist)—the story of Henry Ford and Thomas Edison—whose annual summer sojourns introduced the road trip to our culture and made the automobile an essential part of modern life. In 1914 Henry Ford and naturalist John Burroughs visited Thomas Edison in Florida and toured the Everglades. The following year Ford, Edison, and tire maker Harvey Firestone joined together on a summer camping trip and decided to call themselves the Vagabonds. They would continue their summer road trips until 1925, when they announced that their fame made it too difficult for them to carry on. Although the

Vagabonds traveled with an entourage of chefs, butlers, and others, this elite fraternity also had a serious purpose: to examine the conditions of America's roadways and improve the practicality of automobile travel. Cars were unreliable and the roads were even worse. But newspaper coverage of these trips was extensive, and as cars and roads improved, the summer trip by automobile soon became a desired element of American life. The Vagabonds is "a portrait of America's burgeoning love affair with the automobile" (NPR) but it also sheds light on the important relationship between the older Edison and the younger Ford, who once worked for the famous inventor. The road trips made the automobile ubiquitous and magnified Ford's reputation, even as Edison's diminished. The automobile would transform the American landscape, the American economy, and the American way of life and Guinn brings this seminal moment in history to vivid life.

The Viking's Chosen Quinn Loftis 2018-02-12 The prophecy must be fulfilled. His orders are clear: launch a raid against England and bring home the spoils of war. But the prophecy is also clear: General Torben will take a foreign bride—one who is a seer and healer just like his mother. The eldest princess of England is said to be just that...a beautiful, charming, and headstrong woman. But he's a Viking army general and she's an English princess—and one who is already promised to the king of Tara. Two worlds collide in this epic historical fiction centered on an undeniable chemistry that smolders against the odds. Richly written and injected with moments of humor, this action-packed romantic tale will leave you breathless. Quinn Loftis is the author of twenty novels, including the USA Today Bestseller *Fate and Fury*. Books in the Clan Hakon Series: *The Viking's Chosen* (February 2018) *The Viking's Captive* (Winter 2018) *The Viking's Consort* (Fall 2019)

Dream of Me Quinn Loftis 2015-02-28 From the author who brought you the award-winning *Grey Wolves* and *Elfin* Series, now brings you a new series based on the human legend, the Sandman. The truth of who and what he is lies between these pages and he is so much more than anyone could have ever imagined. "In the evening... [he] blows softly upon their necks, till their heads begin to droop... Under each arm he carries an umbrella; one of them, with pictures on the inside, he spreads over the good children, and then they dream the most beautiful stories the whole night." ~Hans Christian Anderson Since the dawn of time, Brudair, otherwise known as the Sandman to the world, has faithfully lived out his purpose, faithfully performed his duties. He has never questioned his lot among the immortals, until now, until her. Sarah Serenity Tillman, a consummate beauty both inside and out, is a high school senior five months from her graduation. She has great plans, dreams of leaving the small town of her childhood behind her forever. But destiny has other plans, and it's the Sandman's job to make sure those plans are fulfilled. The tall muscular Sandman, known as Dair to his friends, dressed in black, wrapped in shadows, is more than a myth. And he has a job to do. His very existence makes him a creature of the night, because dreams, (yes the legends got that part right), were indeed his specialty. But his purpose was more than just weaving dreams for sleeping children. No, his dreams were made to influence, made to ensure that certain special individuals, those individuals who would change the course of history, actually accepted their chosen destiny. Little does Serenity know that she is Dair's next assignment. And the dream that he weaves for her, if she follows its influence, will change the course of, not only her life but possibly the whole of history as well. But she isn't the only one being influenced. The beauty inside of her was weighing on the Sandman, lighting up the darkness that was his constant

companion. Her light was warmth, it was life, and he didn't understand how he had survived the previous millennia without it. The Sandman was indeed greater than anything humans had ever imagined, and his purpose was vital to the course of history. So what happens when the weaver of dreams gets so distracted by a mere human that he ignores his own duties in the immortal realm? How can an immortal who was never meant to have a mate, join a young woman in her destiny without irrevocably changing the lives of millions and potentially altering history in a way the Creator never intended? "Dream of me, Princess," Dair whispered into her ear. "Then weave me a dream, Sandman," she said softly. "And we can dream together." As her eyes grew heavy, she heard Dair's voice telling her to sleep, to open her mind to him and let him in. I'm all yours, she thought as sleep finally claimed her.

Cleansed By Water Quinn Loftis 2020-08-11 Nothing is stronger than the power of a soulbond, even the end of the world. Gabby Gellar is a fire elemental with an attitude. She has been told so many times by her parents that she's worthless she no longer questions that truth. Pushed away by the only people she's ever loved, Gabby shuts everyone out. Friends, acquaintances, buddies, chums, and especially romantic relationships, are kept at arm's length, or further if she can help it. Gabby knows she could never be good enough to be anyone's girlfriend, much less someone's soulbonded. So why does the thought of a certain water elemental have her out of bed well past midnight, pacing and cursing, trying to deny the part of her that's silently calling to him, reaching for his magic, thirsting for it like a dying man in the desert. Dammit! To Liam Nash, life is merely a joke, something to laugh at and enjoy. An endless stream of amusements made even more amusing by the water magic he uses to manipulate the world around him. Liam never thought he'd actually have a soulbonded. He was content to be unattached, a flirt, a perpetual bachelor ... but that was before he met Gabby. Now, he was certain she was his soulbonded, as sure as the sun would rise tomorrow. Unfortunately, the sun's rising is no longer a sure thing. With half of the royal elementals imprisoned in the underworld, the earth's climate has been thrown into chaos. Temperatures are steadily dropping, volcanoes are spontaneously erupting, and earthquakes are becoming commonplace. If the light elementals have any hope of rescuing the planet from the dark forces seeking to destroy it, the elemental academies will have to work together. That means an overeager water elemental and a reluctant fire-wielder are about to be thrown together and asked to save the world. Could the bond between Liam and Gabby be the very thing needed to rally the forces of light to victory?

Den Of Sorrows Quinn Loftis 2016-03-25 The Romanian and Serbian Canis lupus rest in an uneasy peace. One of their own, Sally Miklos, the young and powerful gypsy healer, aids Perizada in her quest to defeat Volcan, a long forgotten nightmare returned to our world. These two packs watch as their brothers across the world, wolves from Spain, Ireland, and America, join their own forces in the battle against the evil dark fae. At the same time, the packs hope against hope that their presence might reveal a mate bond between a pack member and one of the five recently discovered gypsy healers. While Jacque and Jen miss Sally, their longtime best friend, they have bided their time dealing with their own domestic issues. Jacque and Fane are anticipating the birth of their first child and Jen and Decebel face the challenges of caring for an infant. Both girls are eagerly awaiting Sally's return, and have Perizada's word that she will be back in time for the birth of Jacque's baby. Vasile and Alina, the Alpha pair of the Romanian pack, are enjoying this time of peace. But Vasile did not become the most powerful Alpha in centuries by being a fool. He has lived long enough to know that there is always another battle on the horizon. As long as evil exists in this world, his race must step forward and stand in the gap, shielding those who cannot protect themselves. But the battle he is anticipating is bigger than he could have ever imagined. As Perizada has recently discovered, creatures of the night that have for so long remained hidden from the human realm, have slithered from their underground lairs and begun preying on the young and innocent. The high fae has declared war, and she expects Vasile and his wolves to be the ones to carry out the attack. The Alpha is more than

happy to oblige. But with his first grandchild on the way, and the gift of five vulnerable healers coming under the wolves' protection, he understands that he must be very careful not to place any of them in harm's way. Such is the job of the Alpha, protector, and provider. He and those he leads must stand as sentinels and warriors to safeguard those they love, and the humans who know nothing of the supernatural world. It will be their job to destroy the creatures that threaten to expose them all. And if they fail, the world as they know it, both human and supernatural, will never be the same.

Into the Fae Quinn Loftis 2019-01-29 With peace finally descending on the Romanian Grey Wolves, longtime fae ambassador to the wolves, Perizada, has been given a new mission by the Great Luna. But Peri's desire for revenge against her sister, Lorelle, burns in her heart. Further complicating matters, the great white wolf, Lucian Lupei, has been returned to the pack after centuries trapped in the Dark Forest, and it appears he is destined to be with Peri. Can she put aside her thoughts of vengeance long enough to accept Lucian's love and complete her mission?

Statistics for Linguists: An Introduction Using R Bodo Winter 2019-10-30 Statistics for Linguists: An Introduction Using R is the first statistics textbook on linear models for linguistics. The book covers simple uses of linear models through generalized models to more advanced approaches, maintaining its focus on conceptual issues and avoiding excessive mathematical details. It contains many applied examples using the R statistical programming environment. Written in an accessible tone and style, this text is the ideal main resource for graduate and advanced undergraduate students of Linguistics statistics courses as well as those in other fields, including Psychology, Cognitive Science, and Data Science.

Call Me Crazy Quinn Loftis 2013-07-23 "I'm looking out from inside the chaos. It must be a one-way mirror because no one seems to be able to see back inside to where I am. The looks on their faces, the judgment in their eyes, tells me everything I need to know. The most frustrating part about the whole messed up situation is that even though I'm the one that they stare at in shock, I am just as shocked as they are. I know no more than they do of why I lose control. What they don't know is that I am more scared of myself than they could ever be." ~ Tally Baker After a devastating turn of events, seventeen year old Tally Baker is admitted to Mercy Psychiatric Facility where she is diagnosed with Bipolar Disorder. She has come to a place where she honestly believes that her life is over. Her mind tells her that she will never smile or laugh again, that she will never be normal again. It is in this unlikely place that she meets two people, different in every way, yet both critical to helping her realize that she has so much more living to do. Candy, a cantankerous sixty year old Mercy Psychiatric patient, is hell bent on driving everyone as crazy as she is. Candy shows Tally that, regardless of her diagnosis, the ability to push on and live her life to the fullest is her choice and hers alone. In the midst of Tally's oftentimes humorous, sometimes heart-wrenching, escapades with Candy, a new patient is admitted to Mercy—a native American woman named Lolotea. Along with this new patient comes a daily visitor, her son, Trey Swift. At first glance, it is obvious to Tally that he is incredibly handsome and unbelievably caring. But what she learns through her second glance, and many thereafter, is that there is much more to Trey than he ever lets on. It is during these daily visits that Trey and Tally build a friendship far deeper than either of them truly realize. With Trey, Tally feels for the first time since being admitted that someone is looking at her as a person and not as a disease. Trey begins to make it clear that he wants more than friendship, but she knows that she can never give him more. How can she, when she won't even give him the truth? Tally doesn't tell Trey that she is a patient at Mercy, and she doesn't ever plan to. Her plans go up in flames when she finds out that Trey is a new student at her school, the school where her brokenness was found out in the floor of the girl's bathroom in a pool of her own blood.

Trollerella Karen M. Stegman-Bourgeois 2006 This version of the Cinderella story features a troll living under a bridge who finds an invitation to a ball, where she dances with Prince Charming.

Out of the Dark Quinn Loftis 2012-06-04 He is mine and I am his. I will move every obstacle in my way to remind him. Decebel Anghelescu is one of the strongest Canis lupus on earth, an alpha in his own right. Now that he's found his mate, the feisty blonde, Jennifer Adams, he could be stronger still, a powerful asset to the Romanian Greys. But he's been crippled by a devastating curse, one cast by an unknown enemy, a witch of incredible power. The spell threatens to dissolve the fragile new bond with the woman that is the other half of his soul. It will take the help of an entire pack to break it, but has too much damage already been done? Meanwhile, injured and alone, Jennifer fights for her life, and it appears to be a losing battle. Now, she has come to terms with her fate, accepting she won't share a life with Decebel...and what a life it would have been. But help comes in the most unexpected form...the discovery of a long-lost healer. The Romanian alpha, Vasile Lupei, will have to use all his resources - including Sally Morgan, the new gypsy healer of the Romanian pack - to battle the witch, lift the curse from Decebel and reunite him with his mate, and solve a mystery that's been surrounding the Romanian pack for 300 years.

Beyond the Veil Quinn Loftis 2012-12-05 Though the Serbian pack has been brought to heel thanks to the downfall of their Alpha, the war is far from over. Desdemona, a witch of unfathomable power, has escaped the wolves' wrath, but she will not go quietly into the night. She takes refuge in a place where even the smallest sliver of light does not dare to enter. Though she had to flee, she has not given up on the treasure she wishes to acquire. Her depravity knows no bounds; she's even willing to search for the one who can assist her in opening a Veil that has not been opened in millennia - with good reason: the danger is incalculable. Meanwhile, there are major changes rippling through the Romanian Grey wolves. Decebel has become Alpha to the Serbian pack in an effort to begin to unite the Canis lupus species. Their numbers are dwindling in the wake of the shortage of true mates and lack of offspring. The wolves are beginning to lose faith and darkness seems to be crashing in on them from all sides. But the winds of change are blowing, changes that will alter the future of not only the Canis lupus, but of another ancient race as well. Amidst all of this, Sally is continuing to come to terms with her relationship with the playful, charming, flirty, unbelievably handsome bartender - who happens to be a member of the Romanian pack. If all that weren't enough, the Fates have decided to pay a little visit to Jen. It's time to collect. She cheated the Fates of a life, her life. Now they want what they are due. The problem? It's more than Jen is willing to pay. Yes, the war is indeed far from over. Bargains will be struck, declarations will be made, sacrifices will be given, love will be tested, and trust will be questioned as evil makes its stand against them all.

Forgotten Silence Quinn A. Loftis 2017-12-15 Filthy. Disgusting. Unworthy trash. The same thoughts keep swirling in Sally's mind. She's broken and no one can fix her--not her friends, try as they might, and not her beautiful mate. She'd thought when Costin had rescued her from Jericho's clutches, broken the spell the rogue werewolf had cast on her, and left the cur lying in bloody pieces on the floor of an Ocean Side bar, that one day she might find some peace. Perhaps, with time, she could forget the horrible things she'd done. Perhaps she could forget how she had betrayed her one true mate. Now, several weeks later, the memories and the nightmares have only grown stronger. Unbeknownst to Sally, though the magical bracelet that erased her memories was destroyed, the magical device deposited something sinister within the girl's mind. Now, in a last ditch effort to find some sort of healing, Sally is being shipped off to her hometown--Coldspring, TX. Little does she know that surprises are awaiting her there that will shake the foundations of all she's ever known. Will these new revelations be the key to eradicating the darkness that has taken root in the healer? Or will the secrets that are uncovered be too much for Sally to bear?

Directorate S Steve Coll 2019-02-05 Winner of the 2018 National Book Critics Circle Award for Nonfiction Longlisted for the 2018 National Book Award for Nonfiction From the Pulitzer Prize-winning author of *Ghost Wars*, the epic and enthralling story of America's

intelligence, military, and diplomatic efforts to defeat Al Qaeda and the Taliban in Afghanistan and Pakistan since 9/11 Prior to 9/11, the United States had been carrying out small-scale covert operations in Afghanistan, ostensibly in cooperation, although often in direct opposition, with I.S.I., the Pakistani intelligence agency. While the US was trying to quell extremists, a highly secretive and compartmentalized wing of I.S.I., known as "Directorate S," was covertly training, arming, and seeking to legitimize the Taliban, in order to enlarge Pakistan's sphere of influence. After 9/11, when fifty-nine countries, led by the U. S., deployed troops or provided aid to Afghanistan in an effort to flush out the Taliban and Al Qaeda, the U.S. was set on an invisible slow-motion collision course with Pakistan. Today we know that the war in Afghanistan would falter badly because of military hubris at the highest levels of the Pentagon, the drain on resources and provocation in the Muslim world caused by the U.S.-led invasion of Iraq, and corruption. But more than anything, as Coll makes painfully clear, the war in Afghanistan was doomed because of the failure of the United States to apprehend the motivations and intentions of I.S.I.'s "Directorate S". This was a swirling and shadowy struggle of historic proportions, which endured over a decade and across both the Bush and Obama administrations, involving multiple secret intelligence agencies, a litany of incongruous strategies and tactics, and dozens of players, including some of the most prominent military and political figures. A sprawling American tragedy, the war was an open clash of arms but also a covert melee of ideas, secrets, and subterranean violence. Coll excavates this grand battle, which took place away from the gaze of the American public. With unsurpassed expertise, original research, and attention to detail, he brings to life a narrative at once vast and intricate, local and global, propulsive and painstaking. This is the definitive explanation of how America came to be so badly ensnared in an elaborate, factional, and seemingly interminable conflict in South Asia. Nothing less than a forensic examination of the personal and political forces that shape world history, Directorate S is a complete masterpiece of both investigative and narrative journalism.

Surrender Quinn Loftis 2015-09-15 "So I just might die a virgin after all. That's what sucks about the end of the world, you just don't plan for it and once it's upon you it's too late. It's been a few weeks since I've had time to actually write anything down, which sucks because more has happened in my life in the past three weeks than it has in all my seventeen, (soon to be eighteen) years. So I'm going to give you a quick recap, because my diary is totally a living breathing thing and really cares...not. Basically we are on the run from Lorsan, the dark elf king, while also looking for the Book of the Elves, which he stole (butt head), while at the same time attempting to shut down the sale of Rapture, a liquid drug the dark elves devised to enslave the human race. If you ask me their goals are a little lofty, but then nobody asked me, and therein lies their problem. But our problems don't end there. On top of trying to get Rapture out of the human realm and taking out Lorsan, we also have to rescue Cassie's parents. Apparently there's a dark elf who is delusional and believes Cassie is his Chosen reincarnated. So naturally he thought kidnapping her parents would win her heart. Loser. What happen to love notes and flowers? Anyways, now you're caught up, roughly. The point is, life is about as jacked up as it can get at the moment. I would like to be able to give some Braveheart worthy speech and say that we totally got this, but honestly, I have no idea if we can pull this off." ~Elora

Bound by Earth Quinn Loftis 2020-02-25 Tara Thompson cannot be injured. Since the night her parents died in a tragic accident, she hasn't felt pain of any kind, not so much as a papercut. And she has no idea why. Though her body healed quickly, her heart and soul took its time. Luckily, a loving foster mom and an unwanted best friend stepped in to speed up the process. Despite Tara's best efforts, her new BFF, Shelly Smith, just wouldn't go away. By their senior year, the girls were thick as thieves and would probably become thieves if Shelly had anything to say about their future. Thankfully, fate intervenes in the form of a high school recruiter, Elias Creed, who works for a mysterious geological testing company. Cue the dreamy music and

soft lighting as he walks in slow motion toward her. Then Elias opens his mouth and Tara laments the fact that the first guy she's ever been seriously attracted to...is a complete and utter butthead. Still, she can't seem to shake him, and she and Shelly are both intrigued by the company he works for. Little do they know it's not a company at all. It's an academy for those gifted with elemental powers and she's already been enrolled. And Elias isn't Tara's only suitor. The hottest guy in school--Tucker Adams--has been asking Tara out for the past three years and each time she's shot him down. Now, he's finally broken down her walls. But when Elias and Tucker both warn Tara the other is dangerous, she doesn't know who to believe. When the truth is finally revealed, Tara finds out both men know more about her past than she does, including what caused the accident that took her parents' lives.

Wolf of Stone Quinn Loftis 2014-10-31 Dalton Black, a *Canis lupis* full of guilt and anger, never expected to find his true mate. Perhaps already slipping into madness, he had resigned himself to the fact that he would walk the earth without the other half of his soul. He was convinced that his sins were enough to keep the Great Luna from giving him such a blessing. He knew it was probably better that way. His past was as dark as his name and after three centuries of running from it, the memories were finally catching up to him. But all of those resignations evaporated when he saw her broken and bloodied body lying on that altar. Though the man didn't recognize her, the wolf did. Through battle and bloodshed he was able to save her from the evil that held her captive, but now he would need her to save him from himself. Jewel Stone was wholly unaware of the ancient bloodlines of Gypsy Healers, mates to *Canis lupis* and protectors of the packs--much less that she carried that blood herself. But when a beautiful but deadly woman showed up in her home and ripped her from her realm, she knew her life would never be the same. Her mother, Gem, a fortune teller, had warned her that something was coming, that her life was about to change dramatically, but like everyone else, Jewel had dismissed her as a crazy person. Jewel was the laughing stock of her school simply because Gem was her mother. And up until now, her life was one big disappointment after another. Instead of heeding her mother's warning, she hid in her books, burying herself behind knowledge, both fact and fiction. She escaped into worlds created by others and filled her mind with facts of every kind in an effort to push away the hurtful words that others bombarded her with. Despite all of her knowledge and all of her fantastical stories, she never dreamed her own future would be full of adventure, danger, passion and the possibility of unconditional love. As she lay unconscious after her first bloody encounter in the fae realm, her only chance of survival lay in the hands of a man scarred by his past, disfigured both emotionally and physically, and beyond the reach of any who had tried to help him. Can two broken people, who carry the other half of each other's souls span the chasm between them and restore the innocence ripped from both their lives? Will they let the promise of healing love overcome the difference in age and experience, and the separation of species and realms? Or will they give in to the fear and doubt that would keep them from one another for eternity?

Accordance Shelly Crane 2012-04-09 In the sequel to *Significance*, Maggie learns much more about all the strange things that have happened to her and has to face many new ones. She learns something about herself, that she is something that the clans have been waiting for. She rebels against it but, ultimately must face it for her new family's sake and maybe even her life. Bish went from being her biggest supporter to her biggest pain in the butt and Kyle's intentions to attract her interest may not be so innocent. Caleb and Maggie face many new obstacles together as a couple and on their own. They fight to work through them but will one that should be a good thing be too much for Maggie to handle? Will she become who she has to be to save the ones she loves or will she crumble under the pressure as this epic love story continues.

Wolves of Wrath Quinn Loftis 2017-09-27 Long ago, during the Great Purge, the witches that had grown too many in number and too powerful, were destroyed. The high fae council saw that the balance of good and evil had been tipped too far in one direction and it had to be rectified. So they killed all of the witches, and their

creator...or so they thought. But they were wrong. Volcan, the high fae, who had once been a member of their council, until he decided he wanted to be all powerful and created the witches, had bided his time, hiding in the Dark Forest. Now he's back and hell bent on rebuilding his army of witches. Only this time he's set his eyes on the gypsy healers to be the tool from which he creates them. He already has two of the newly found healers, Jewel and Anna, with his blood running in their veins. And though he thinks he's got it all planned out, what Volcan hadn't calculated into his formula of healers + his blood = witches, was the healer's mates, Dalton and Gustavo. Both males are more than ready to sink their teeth into the high fae who has taken their females. With the darkness closing in on all four of them, it is a toss up as to who will succumb to it first. Mean while, the healers and wolves Peri had stashed in the pixie realm are sitting ducks with the Veil between them and the human realm locked. The mates of those healers are holding onto their self control by a thread as they try to figure out a way to get them out of the pixie realm. Perizada is once again fighting for those who are under her protection, while at the same time trying not to kill them herself. Considering the healers tend to do stupid heroic stuff and the wolves just do stupid stuff period, it's not certain who will destroy who. The only thing that was certain; none of them was willing to surrender. Throw in a powerful, eccentric Djinn who has suddenly gotten bored and things are guaranteed to get messy. This is the continuation of the story of the five gypsy healers, the fae who protects them and the wolves whose wrath will consume any who come between them.

Pediatric Palliative Care Hospice and Palliative Nurses Association 2015-08-31 Pediatric palliative care is a field of significant growth as health care systems recognize the benefits of palliative care in areas such as neonatal intensive care, pediatric ICU, and chronic pediatric illnesses. *Pediatric Palliative Care*, the fourth volume in the HPNA Palliative Nursing Manuals series, highlights key issues related to the field. Chapters address pediatric hospice, symptom management, pediatric pain, the neonatal intensive care unit, transitioning goals of care between the emergency department and intensive care unit, and grief and bereavement in pediatric palliative care. The content of the concise, clinically focused volumes in the HPNA Palliative Nursing Manuals series is one resource for nurses preparing for specialty certification exams and provides a quick-reference in daily practice. Plentiful tables and patient teaching points make these volumes useful resources for nurses.

Significance Shelly Crane 2011-06-15 A story by NEW YORK TIMES and USA TODAY bestselling author, Shelly Crane. Maggie is a seventeen year old girl who's had a bad year. Her mom left, her dad is depressed, she's graduating, barely, and her boyfriend of almost three years dumped her for a college football scholarship. Lately she thinks life is all about hanging on by a thread and is gripping tight with everything she has. Then she meets Caleb. She saves his life and instantly knows there's something about him that's intriguing but she is supposed to be on her way to a date with his cousin. But things change when they touch, sparks ignite. Literally. They imprint with each other and she sees their future life together flash before her eyes. She learns that not only is she his soul mate, and can feel his heartbeat in her chest, but there is a whole other world of people with gifts and abilities that she never knew existed. She herself is experiencing supernatural changes unlike anything she's ever felt before and she needs the touch of his skin to survive. Now, not only has her dad come out of his depression to be a father again, and a pain as well, but Caleb's enemies know he's imprinted and are after Maggie to stop them both from gaining their abilities and take her from him. Can Caleb save her or will they be forced to live without each other after just finding one another? Read the epic love story before the TV show!

Alpha Rising Quinn Loftis 2020-12-08 Supernatural war is on the horizon, and no one will escape unscathed. Enemy after enemy, foe after foe, has fallen before the combined might of the Romanian grey wolves and their allies among the supernatural races. But now the alliance doesn't fight a single supernatural threat. It's no longer a single coven of vampires, a lone deranged warlock, or a rogue pack that threatens their

safety. Now, the wolves face a unified force of evil--the Order of the Burning Claw. The Order needs a representative from every supernatural race to unleash a spell that will enslave humanity forever, and they've just recruited one of their most powerful members. The Order will stop at nothing to gain power, including kidnapping the pack's children and its beleaguered healer. The Romanian pack would love nothing more than to bring the wrath of the Great Luna down upon their foes. But how can they do that when their enemies hold captive the pack's greatest treasures. Before this is over, bonds will be tested, a new leader will rise, and all hell will break loose.

Prince of Wolves Quinn Loftis 2011-06-29 Jaque Pierce was an ordinary 17-year-old girl getting ready to start her senior year in high school in Coldspring, TX when a mysterious foreign exchange student from Romania moves in across the street. Jaque and her two best friends Sally and Jen don't realize the last two weeks of their summer are going to get a lot more interesting. From the moment Jaque sets eyes on Fane, she feels an instant connection, a pull like a moth to a flame. Little does she know that the flame she is drawn too is actually a Canis Lupus, werewolf, and she just happens to be his mate, the other half of his soul. The problem is Fane is not the only wolf in Coldspring. Just as Fane and Jaque are getting to know each other, another wolf steps out to try and claim Jaque as his mate. Fane will now have to fight for the right to complete the mating bond, something that is his right by birth but is being denied him by a crazed Alpha. Will the love Fane has for Jaque be enough to give him the strength to defeat his enemy and will Jaque accept she is Fane's mate and complete the bond between them?

In Malice, Quite Close Brandi Lynn Ryder 2012 Years after staging her kidnapping and death to run away with the heir to a renowned art collection, Karen finds her carefully constructed world falling apart when their daughter discovers the truth and brings about Karen's reunion with her sister. A first novel. 20,000 first printing.

Dream So Dark Quinn Loftis 2017-11-07 He was created to be a messenger and guider of dreams. He has traveled the earth for centuries upon centuries fulfilling his purpose. Until her. Serenity crept into his existence as seamlessly as the dreams he wove and just as effortlessly, she stole his heart. Their future is still unclear, but Dair knows he doesn't want to spend even another hour without her. Meanwhile Emma Whitmore, a brilliant young girl whose overcome so much at her tender young age was dropped in both their laps, but for what purpose neither is certain. Taken from the people she's grown to love and put in a home with a man who has no love to give, she fights to survive. She just has to hang on until she can be returned to the adoptive family who has already claimed her. Three lives, unsure of what is to come, fighting the darkness that is closing in all around them. If they are to have any future together, then evil cannot prevail. But at what cost to them?

Fate and Fury Quinn Loftis 2013 The last few days have been the darkest of Sally's life. After experiencing the joy of finding her mate, she now suffers the pain of losing everything she holds dear. Both the Romanian and Serbian packs have been captured, ripping Sally's soul mate away from her almost as soon as she had found him. Her best friend and the emotional glue that usually holds Sally together, Jaque Pierce, lies writhing in a restless coma, having been put down by Desdemona's dark magic. Jennifer Adams, the unshakable one, has revealed to her friends and her mate that she is pregnant, but the Fates have marked her unborn baby for death. Though she rails against the darkness, deep inside Jen knows that Decebel's baby must die as payment for her own life, and the knowledge is tearing her soul to pieces.

Blood Rites Quinn Loftis 2011-11-18 With the challenge complete and the corrupt Alpha of Coldspring defeated Fane is now free to complete the mate bond with Jaque and perform the Blood Rites. Although the challenge is done, the effects are far-reaching. Once it is known that Vasile one of the strongest Alphas in the world is in America, specifically Coldspring, TX, there is one Alpha who cannot overlook the significance of this. An Alpha who happens to share Jaque's DNA, but is this the one she needs to fear? With her mom driving and her two best friends, Jen and Sally in tow, Jaque set off for her happily ever after. She will soon realize a plan has

been put in motion that will change her course and possibly tear her from Fane's grasp forever. It will take a wolf pack, her mother's love, her two best friend's unrelenting determination, her own will to survive and the undying love of her mate to bring her home. The question remains, if she fights, if she endures, who will she be, what will be left once she is back in her mate's arms?

I Temporarily Do Ellie Cahill 2017-08-08

Claim My Baby Taryn Quinn 2018-02-28 You're going to be a daddy. Those were the last words I ever expected to hear. As one of the fabled Hamilton twins, I enjoy my life just as it is. Why wouldn't I? Check out my stats. Co-owner of Hamilton Realty, a multimillion dollar business. Doting uncle to my niece, Laurie, and my soon-to-be nephew. All-around sexy, single guy who doesn't do strings-ever. Then I went to Vegas with my sister-in-law's best friend, Sage. Choices were made. Alcoholic beverages were consumed. Virginitities were taken. Hers, not mine. Then Sage announced I'd knocked her up. And oh yeah, she doesn't expect me to take an active role, because she knows I can't handle anything except my d*ck. Say what? She's so wrong, and I'm going to prove it to her. I'm going to claim my baby--and Sage. Author's note: This book is about the process of becoming a DILF. Oliver doesn't start out as a single father, but by the end of the book? Hoo boy. Author's note part deux: Claim My Baby is a standalone rom com with a romantic HEA ending and no cliffhanger.

Sacrifice of Love Quinn Loftis 2013 As one evil falls, another rises in its place. The powerful witch, Desdemona, has finally been killed by an alliance of wolf, elf, and fae. But Reyaz, brother to Cypher the warlock king, has vowed retribution for a life that was taken from him. Now Cypher must decide not only how to protect his newfound mate and his people, but also how to destroy the only family he has left. Meanwhile, Jen's pregnancy progresses and the fateful due date draws ever nearer. The thought of losing Decebel's child constantly threatens to overwhelm her. With each passing day, Decebel grows more distant, causing Jen to wonder what toll the impending loss of their child is taking on him. Unbeknownst to Jen, in an act of desperation to protect his unborn child and mate, Decebel strikes a deadly bargain with the Great Luna--his life in place of his child's. There is only one way for that to happen; the bond between he and Jen must be broken. As Jen as Decebel struggle through their darkness, another kind of darkness is infiltrating Fane's heart. Doubts and questions linger as he tries to cope with the emotions brought on in the aftermath of Desdemona's curse. He knows what happened wasn't real, but still he can't rid himself of the terrible images seared into his memory. Jaque is his light, the one who keeps the darkness at bay, yet he won't let her inside to do just that. Sally continues to learn what it means to be a gypsy healer and Costin struggles to protect her as she runs full speed ahead to help her wolves, heedless of her own safety. She sees her best friends struggling, each enduring their own trials. She's desperate to help them, but can she keep them safe? With all of these things hanging heavy over the heads of the Serbia and Romania packs, their attention is divided. The wolves do not even realize a threat has slowly infiltrated their midst. Will they recognize the threat in time to save the lives that precariously hang in the balance? Against this backdrop of darkness, choices will be made, fears will confronted, and the ultimate sacrifice will be made. Will the wolves stand together to defeat the threats arrayed against them, both from within and without? Will love conquer all? Or will the beleaguered wolves finally succumb to their demons?

Sweet Oblivion (Sweet Series #1) Bailey Ardisone 2012-12-30 Free! ~ Nariella has a hard life. Hated and beaten by her foster father, she finds solace in the one person who has always been there for her--Rydan, her overprotective best friend. His sheltering only gets worse once Nari collides--literally--with Mycah. A boy being chased by two kinds of evil; a boy who Nari is convinced is either the devil or an angel. But she was wrong. He's something completely different. Then there's Naminé. A servant who lives in fear for her family, for herself, and for the dying kingdom she lives in. But there is hope, and she's the only one who can bring that hope home to save them all. Naminé will risk everything to make that happen, even if it means betraying her king. People always want the truth until they have it.

To be let in on secrets until they get burned by them. Nari is no different. But once she's kidnapped, tortured, and ultimately becomes intertwined in a secret world she never could've imagined existed, she knows there's no going back to blissful ignorance. And maybe she doesn't want to. If darkness is the absence of light, what results from the absence of truth? Nothing but Oblivion. This is book one in a series- Sweet Oblivion (Sweet Series #1) - FREEBIE Sweet Escape (Sweet Series #2) Sweet Requiem (Sweet Series #3) Sweet Redemption (Sweet Series #4 - Finale)

Highland Shapeshifter Clover Autrey 2017-12-14 Flung forward into the 21st Century, Highland shapeshifter Col Limont needs to find the healer Charity Greves in order to get back home and save his family. However, the healer's sister, Lenore, is determined to do everything she can to keep Col from dragging her sister back to 13th Century Scotland into his family's supernatural war. But when monsters and a strange yuppie trio also try to stop him, Lenore has to reconsider her options. But by helping Col, she'll lose her sister.

The End Is Always Near Dan Carlin 2019-10-29 Now a New York Times Bestseller. The creator of the wildly popular award-winning podcast Hardcore History looks at some of the apocalyptic moments from the past as a way to frame the challenges of the future. Do tough times create tougher people? Can humanity handle the power of its weapons without destroying itself? Will human technology or capabilities ever peak or regress? No one knows the answers to such questions, but no one asks them in a more interesting way than Dan Carlin. In *The End is Always Near*, Dan Carlin looks at questions and historical events that force us to consider what sounds like fantasy; that we might suffer the same fate that all previous eras did. Will our world ever become a ruin for future archaeologists to dig up and explore? The questions themselves are both philosophical and like something out of *The Twilight Zone*. Combining his trademark mix of storytelling, history and weirdness Dan Carlin connects the past and future in fascinating and colorful ways. At the same time the questions he asks us to consider involve the most important issue imaginable: human survival. From the collapse of the Bronze Age to the challenges of the nuclear era the issue has hung over humanity like a persistent Sword of Damocles. Inspired by his podcast, *The End is Always Near* challenges the way we look at the past and ourselves. In this absorbing compendium, Carlin embarks on a whole new set of stories and major cliffhangers that will keep readers enthralled. Idiosyncratic and erudite, offbeat yet profound, *The End is Always Near* examines issues that are rarely presented, and makes the past immediately relevant to our very turbulent present.

The Warlock Queen Quinn Loftis 2021-05-25 She is and will be, until her time comes, the warlock queen. ~Cypher, the warlock king. Peace has come amid the storm. But the cost by which that peace was earned was great—the lives of the Romanian pack alphas, and Cypher, king of the warlocks. Now, the Great Luna has declared a period of mourning, allowing her children a brief respite in their battle against the Order of the Burning Claw. A violation of the command means certain death. But peace doesn't extend to everyone. Lilly Pierce, the surviving widow of the warlock king, must now take his place as the leader of the warlock race. Unfortunately, she's in no condition to do it. Her heart has been shattered. Lilly has found love twice in her life, and both times, it's been ripped away. Now, the warlock clans are looking to their new queen for guidance, or waiting for her to falter. To keep her throne, Lilly will have to prove she's worthy of it, or risk losing more than just her title. The last thing the queen needs in her grief-stricken state is to start hallucinating... Murderer. Traitor. Outlaw. These are just a few of the words that describe, Myanin, the disgraced djinn warrior. And for a time, those words didn't bother her. But as the djinn becomes more acquainted with the inner workings of the Order of the Burning Claw, she begins to understand how truly evil her fellow supernaturals can be. Is that really the person she wants to be? Is that the life she wants to lead? Not long ago, Myanin would have done anything to get back at her former lover,

Thadrick, including murder. But an encounter with her Creator has the djinn questioning everything, including whether she is beyond redemption. Two women, both suffering loss, both languishing in their misery, both faced with impossible choices. Is it possible the queen and the djinn could find salvation in one another?

The Viking's Captive Quinn Loftis 2018-11-27 Prophecy spoken. Alliances broken. Will duty come before love? The Viking's Captive is the exciting sequel to *The Viking's Chosen* by USA Today Bestseller Quinn Loftis. Torben is faced with a terrible choice: rescue the woman he loves from the clutches of a madman, or save his people from attack by a ruthless foreign invader. He longs to save Allete, especially since the clan's oracle has prophesized that she will become his queen and help unite the clans. But if saving the princess means abandoning his clan, the choice would be unconscionable. Torben races across land and sea on a collision course with Magnus, Allete's kidnapper and Torben's former king. Their meeting will change the fate of Clan Hakon—either saving it from destruction or splintering it forever. Will Torben be able to rescue Allete before Magnus' actions ruin them all? Or will Cathal find the princesses first, enslaving them and using them for his own twisted purposes? Swords will clash and arrows will fly before the fate of Allete and Torben is finally decided. Novels in *The Clan Hakon Series* Include: *The Viking's Chosen* (February 12, 2018) *The Viking's Captive* (November 27, 2018) *The Viking's Consort* (Fall 2019)

Disability, Literature, Genre Ria Cheyne 2019-11-30 Examining the intersection of disability and genre in popular works of horror, crime, science fiction, fantasy, and romance published since the late 1960s, *Disability, Literature, Genre* is a major contribution to both cultural disability studies and genre fiction studies. Drawing on recent work on affect and emotion, the book explores how disability makes us feel, and how those feelings shape interpersonal and fictional encounters. Written in a clear and accessible style, *Disability, Literature, Genre* offers a timely reflection on the rapidly growing body of scholarship on disability representation, as well as an innovative new theorisation of genre. By reconceptualising genre reading as an affective process, Ria Cheyne establishes genre fiction as a key site of investigation for disability studies. She argues that genre fiction's unique combination of affectivity and reflexivity makes it ideally suited to the production of reflexive representations of disability: representations which encourage the reader to reflect upon what they understand about disability, and potentially to rethink it. Examining the affective—and effective—power of disability representations in a wide range of popular genre fiction, this book will be essential reading for academics in disability studies, literary studies, popular culture studies, and the medical humanities.

The Flesh and the Devil Teresa Denys 1980-01-01
Just One Drop Quinn Loftis 2012-08-15 Jennifer Adams, best friend to Jacque Pierce and Sally Morgan, spicy, out spoken, a little crazy and human...or so she thought. Jen has just found out that human DNA is not the only thing that resides in her veins, she happens to share that little pesky werewolf gene, although it isn't more than just a drop. Now that she and her friends are living in Romania with Fane's pack, she is also oh so conveniently stuck with the object of her affection, the fur ball Decebel. Drawn to each other by something they don't understand Jen finds herself frustrated by the lack of mating signs between her and said fur ball. Not only is she dealing with that not so un-frustrating problem, she now has been informed that because of that little drop of werewolf blood in her she is now required to attend a multi-pack gathering for un-mated wolves. This type of gathering hasn't taken place in over a century but with a shortage of females among the werewolf population the males are getting worried they won't ever find their true mates. Meanwhile, Decebel struggles with the emotions he is feeling towards Jen. He tries to keep his distance but there is just something about the mouthy blonde that keeps him coming back for more of her verbal abuse that he just can't seem to get enough of...go figure.
