Fragrance of Emotions Hiraya Manawari 2022-03-12 *Fragrance of Emotions* is a compilation of short stories that will show a roller coaster of emotions. In our daily lives, we may feel happy, sad, angry, or vengeful towards our lives, and we think that we have the most terrible life story ever written to the point that we would consider ending our lives. Little did we know, there were more people that were more unfortunate than us but still fighting for their lives. I am not saying to invalidate our feelings just because there are people who are living a more terrible life. I am suggesting that we try to embrace what we feel, rest, and then stand up and continue to fight and remember that blank page on the back of the book for you to write your own story or your own little ending that you wanted. *Fragrance of Emotions* is just a simple compilation of short stories, but we never know, you might find the answer to your questions while reading.

People Like Her Ellery Lloyd 2021-01-12 "Beyond being a brilliant skewering of social media and influencer culture, *People Like Her* is, quite simply, a damn good thriller . . . With three unreliable narrators, the novel reads like *Gone Girl* on steroids in all the best ways."—Bookreporter "Breathlessly fast, brilliantly original. Bravo, Ellery Lloyd!"—Clare Mackintosh, New York Times bestselling author of *After the End* From the New York Times bestselling author of *The Club*, a razor-sharp, wickedly smart suspense debut about an ambitious influencer mom whose soaring success threatens her marriage, her morals, and her family's safety. Followed by Millions, *Watched by One* To her adoring fans, Emmy Jackson, aka @the_mamabare, is the honest "Instamum" who always tells it like it is. To her skeptical husband, a washed-up novelist who knows just how creative Emmy can be with the truth, she is a breadwinning powerhouse chillingly brilliant at monetizing the intimate details of their family life. To one of Emmy's dangerously obsessive followers, she's the woman that has everything—but deserves none of it. As Emmy's marriage begins to crack under the strain of her growing success and her moral compass veers wildly off course, the more vulnerable she becomes to a very real danger circling ever closer to her family. In this deeply addictive tale of psychological suspense, Ellery Lloyd raises important questions about technology, social media celebrity, and the way we live today. Probing the dark side of influencer culture and the perils of parenting online, *People Like Her* explores our desperate need to be seen and the lengths we'll go to be liked by strangers. It asks what—and who—we sacrifice when we make our private lives public, and ultimately lose control of who we let in. . . .

The Modern Balkans Richard C. Hall 2012-01-01 In *The Modern Balkans*, historian Richard C. Hall gives a complete account of the historical events that have shaped the Balkan region of Southeastern Europe. Originally separated from the rest of Europe by culture, politics, and economics, the Balkans have slowly been integrating into Western Europe since the nineteenth century. But this process of economic and political development, following the Western European model, has been far from smooth in the Balkans. As Hall explains, it has often been marked by violence and destruction, the result of many wars and rebellions. Though Soviet power imposed a nearly fifty-year peace in the region, the collapse of the Soviet Union renewed conflict that continued through the end of the twentieth century. Hall concentrates here on the significant political and economic events that have had the greatest impact on the role of the Balkans in Europe; in particular, he examines the development of national states in the nineteenth century, the influence of the two world wars, and the collapse of Yugoslavia. This clear and concise history of the Balkan Peninsula will appeal to readers and scholars interested in European history and the Balkans' unique role in it.
