**My Life with the Walter Boys** Ali Novak

2014-03-01 From a fresh new voice on the contemporary YA scene, *My Life with the Walter Boys* centers on the prim, proper, and always perfect Jackie Howard. When her world is turned upside down by tragedy, Jackie must learn to cut loose and be part of a family again. Jackie does not like surprises. Chaos is the enemy! The best way to get her successful, busy parents to notice her is to be perfect. The perfect look, the perfect grades-the perfect daughter. And then... Surprise #1: Jackie's family dies in a freak

car accident. Surprise #2: Jackie has to move cross-country to live with the Walters-her new guardians. Surprise #3: The Walters have twelve sons. (Well, eleven, but Parker acts like a boy anyway) Now Jackie must trade in her Type A personality and New York City apartment for a Colorado ranch and all the wild Walter boys who come with it. Jackie is surrounded by the enemy-loud, dirty, annoying boys who have no concept of personal space. Okay, several of the oldest guys are flat-out gorgeous. But still annoying. She's not stuck-up or boring-no matter what they say. But proving it is another matter. How can she fit in and move on when she needs to keep her parents' memory alive by living up to the promise of perfect? Ali Novak wrote *My Life with the Walter Boys*

*Imagine Me Gone* Adam Haslett 2016-05-03 From a Pulitzer Prize and National Book Award finalist, a ferociously intimate story of a family facing the ultimate question: how far will we go to save the people we love the most? When Margaret's fiancée, John, is hospitalized for depression in 1960s London, she faces a choice: carry on with their plans despite what she now knows of his condition, or back away from the suffering it may bring her. She decides to marry him. *Imagine Me Gone* is the unforgettable story of what unfolds from this act of love and faith. At the heart of it is their eldest son, Michael, a brilliant, anxious music fanatic who makes sense of the world through parody.

Over the span of decades, his younger siblings -- the savvy and responsible Celia and the ambitious and tightly controlled Alec -- struggle along with their mother to care for Michael's increasingly troubled and precarious existence. Told in alternating points of view by all five members of the family, this searing, gut-wrenching, and yet frequently hilarious novel brings alive with remarkable depth and poignancy the love of a mother for her children, the often inescapable devotion siblings feel toward one another, and the legacy of a father's pain in the life of a family. With his striking emotional precision and lively, inventive language, Adam Haslett has given us something rare: a novel with the power to change how we see the most important

people in our lives.

But I have news for him. I obey no one. As the days pass, I am more and more determined to hate him, to resist the deviant fantasies that swirl through my mind when he's near. But before long, I can't live without the bound wrists, his rough hands, and sinful body. I find myself longing for him...and his punishment. I despise my fiancé. But it doesn't stop me from craving him even more. SAVAGE RULER is the first book in the SINFULLY SAVAGE series by USA Today Bestselling Author Kristen Luciani. The Ruby Red Trilogy: Ruby Red, Sapphire Blue, and Emerald Green This internationally bestselling series follows Gwyneth Shepherd, a girl with a time-traveling secret. Traipsing through past centuries, juggling a potential romance, and unlocking her destiny, Gwen has her work cut out for her. Ruby Red: Gwen has always known that her family is different—the women, in particular. As time travelers, they are no strangers to the possibility of the impossible. But even they aren't expecting it when Gwen shows signs of

being a time traveler rather than her cousin Charlotte. Thrust into a world she should have been excluded from, Gwen is introduced to Gideon, a fellow traveler. Although the two don't get along, something other than annoyance might be brewing under the surface. As Gwen masters her new ability, she learns more about herself than she ever could have imagined. Sapphire Blue: Gwen has joined the ranks of the Circle of Twelve, a secret society of chosen time travelers. As the Ruby, Gwen is tasked with finding travelers in the past, all while delving into prophecies and trying to read the mixed signals that Gideon, the Diamond of the Circle, has been sending. With the help of her best friend, a ghost, and a gargoyle

demon, Gwen seeks to unearth the truth behind the Circle—a truth that has been actively hidden from her. Emerald Green: Crushed to learn that Gideon may have been deceiving her all along, Gwen has to move forward nonetheless. She has more than enough on her plate: her distrust of Count Saint-Germain, founder of the Circle of Twelve, who wants Gwen to finish collecting blood from the other chosen travelers; the chronograph, a device which will close the Circle if she succeeds; and the resistance she meets at every turn as she seeks more knowledge. With much more to be revealed, Gwen must race against the clock to fulfill her destiny—before it's too late. Includes bonus chapters from Kerstin Gier *Dream a Little Dream!*
