Bless This Mess Rev. Molly Baskette 2019-08-06 A witty, compelling guide to raising open-minded and morally grounded kids in these crazy times, with an approach that's rooted in science, psychology, and faith "Groundbreaking, profound, frank and friendly."—Wendy Mogel, PhD, author of *The Blessing of a Skinned Knee* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY LIBRARY JOURNAL When Rev. Molly Baskette and Dr. Ellen O'Donnell first met, they were both new mothers seeking parenting wisdom. They read a lot of books on the topic, but none of them contained practical suggestions that would help their families psychologically and spiritually while maintaining their progressive values: How do we teach the art of forgiving and serving others? How do we raise kids who are tolerant, curious, and honorable? And what about the sex talk? Taking matters into their own hands, Baskette and O'Donnell began creating actionable steps addressing these questions and more. This book is the fruit of their many conversations begun long ago during the daycare carpool, from angsty moments to hallelujahs. In *Bless This Mess*, readers will gain constructive tools as they learn how to talk to their children about social justice, money, God, ethics, bullying, disabilities, sexuality, and their bodies. Parents will also glean insights on how to serve others with joy, give generously and gratefully, and—perhaps most important—learn how to stop being so afraid all the damn time, even while raising kids in an increasingly chaotic and often scary world. With real-life examples, relatable personal stories, and strategies tailored to the toddler, preteen, or teenager, *Bless This Mess* guides parents of children at all stages of their development.

The Bible Parenting Code John Rosemond 2021-08-17 The Bible "code" of the title refers not to a cryptogram, but to a set of standards - biblical standards for the proper raising of children. Best-selling author and psychologist John Rosemond examines forty Bible verses and passages that make no overt mention of parenting matters and explains their relevance to a proper understanding of children and parental responsibilities. How does, for example, "love your neighbor as yourself" (Matthew 22:39) apply to raising children? The Bible Parenting Code contains a wealth of guidance for parents regardless of faith orientation. In the final analysis, what the Bible has to say about children confirms commonsense, which is Rosemond's stock-in-trade.

The Study Guide This contains the entire book, as well as the questions and Bible verses for study. Also included are activities for parents that provide in-depth self-evaluation and a place to record thoughts and advice from Christian parent role models. Praise for Christian Parenting Today "I found the material well-written, Biblically solid, and most importantly - culturally relevant. As we both know well, parenting is one of the toughest and most important jobs out there, and they can certainly use as many God-honoring tools as they can get. I am convinced they have a great one in this blog." -Dr. Steve Ellis, pastor, First Baptist, Leland, NC "A must-read for every parent that loves their child. With computers given to our children before they can read, we need to be aware of what is drawing our children in --before it is too late and you say "if I'd only known." Get informed before it is too late. I urge each parent that loves their child-- show your love by reading

this book now." -Susan Priddy "Thanks for sharing, this is so needed today for every parent to read ...I do see what is going on in the world today with our kids, and it is not good." -Bettie B. "I like the fact that you're straight to the point. When it comes to protecting and parenting our kids we don't need to tiptoe around the difficult subjects." - John Nahlen, youth pastor. We understand the difficulties parents face in this age. As parents, we have struggled with the same types of issues in creating Christ-centered families and guiding our young children into good Christian citizens. It is our goal to research the questions asked by parents today and provide sound advice. Have faith, pray, love, and study. God will hear you.

The Gospel-Centered Parent Deborah Harrell 2015-06-30 Our children are precious to us, so naturally we want to protect them and guarantee their safety and happiness. We want to get it right, so our children will be all right. But we live in a broken world where things don't always (or ever?) go as planned. Children make mistakes, and, if they are honest, parents know they make mistakes too. So it's easy for parents to live in fear, regret, confusion, and sometimes hopelessness about parenting and the children they love. Is there a better way? Can you learn to live by faith, to trust the God who made you and your children with their past, present, and future? How can parents live by faith as they parent their children? These are questions that are best answered in community. This ten-session small group resource will help parents apply the gospel of Jesus Christ to their families. Each lesson looks at parenting through the lens of God's grace for sinners (parents and children) and gives parents a gospel center to their parenting. Parents will learn how to live out the biblical principles of faith, repentance, and faithfulness to their calling as parents with their children. Each lesson is self-contained, featuring clear teaching from Scripture, and requires no extra work outside of the group setting. The self-explanatory Leader's Guide at the back of the book helps small group leaders with discussion questions and background material that clearly explain and apply the gospel truths from each lesson.

Proverbs for Parenting Barbara Decker

Parenting from the Scriptures and Scriptures for the Parents Mark Lovis 2017-01-26 Teach

children how they should live, and they will remember it all their life. (Proverbs 22:6, NLT) Most children will grow up and leave home with very little knowledge of where to find the

answers to their questions. As a result, the family is likely to experience many years of struggle and frustration. This book will equip parents, pastors, counselors, teachers, Christian groups, church groups, and, most of all, children with the information they need to learn Bible principles. The Topical Guide will enable them to use the Bible as a tool to find Scriptures that will help them with guidance for specific problems and questions children may have. Part 1 is a Topical Guide divided into 101 categories listed from A-Z. Below are a few topics covered in this section: Afraid Angry Attitude Being Yourself Bullying Cheating Complaining Disrespect Do Unto Others Friends Gossip Greedy Hate Jealousy Lazy Learning Lying Meanness Pay Back Prayer Rewards Self-Control Sorry Stealing Stubborn Talks Too Much Temptation Wisdom and Understanding Worry There are also eight bonus sections in Part 2. God's wisdom is in the Bible, and this book shows you specifically where to find it for each of the 109 categories. This book gives parents the information they need to learn God's wisdom, so they can teach their family how to be the individuals God wants them to be. If a family is to experience a good life with minimal struggles, they must first acquire the right attitude; second, they must learn how to learn; and third, they must learn God's wisdom and understanding to guide them in making the right choices. All Scripture is given by God. And all Scripture is useful for teaching and showing people what is wrong in their lives. It is useful for correcting faults and teaching the right way to live. Parenting First Aid Marty Machowski
2020-04-20 As a companion small group resource to Parenting First Aid by Marty Machowski, this study guide reminds parents they aren't alone in their struggles, providing an opportunity to talk about their challenges and pray for and encourage other parents. Each of the ten chapters of Parenting First Aid Study Guide contain book excerpts, Scriptures for encouragement, and questions to help stimulate discussion and application exercises. Machowski reminds men and women to rest in God's sovereign ability to reach and rescue their children. So many moms and dads hide their child-rearing struggles, but by sharing together and praying for one another in a small group setting, parents can find encouragement, support, and community as they learn to trust God together in the midst of hardship. Raising kids isn't getting any easier, especially with the introduction of insta-porn on electronic devices, the ease of access to drugs, and the ever-increasing blurring of sexuality. This study guide is for weary mothers, fathers, and guardians who are overwhelmed with their children's choices and the culture that wars against their souls. For moms and dads with small struggles or weighty parenting trials—such as children involved with drugs, sexual sin, and teenage rebellion—this small group guide offers a place to begin conversations with other parents; seek community, Scripture, and prayer; and remember they aren't alone.

Mom Set Free Jeannie Cunnion 2017-08-29
Moms are under so. much. pressure. Pressure that weighs us down and threatens to wipe us out. Are you ready for relief? Mom Set Free will empower you to parent in the confidence of God's grace and to experience the freedom you were created for. We moms are told that we have to get it all right so our kids turn out right. We're told that their entire futures are riding on our ability to perfectly orchestrate their lives. And we're told that the strength of their faith hinges on ours. And we begin to believe that if we just try hard enough, we can actually "be enough." These impossible standards leave us stuck in worry, anger, guilt, comparison, and shame. Jeannie Cunnion gets it. And in Mom Set Free she reveals how the Good News of the Gospel empowers us to live—and parent—in the

freedom for which Christ has set us free. Jeannie invites us to journey alongside her as we learn to: * Lay down what God has not asked us to carry so we can thrive in what He has. * Embrace our significance in our children's lives in light of God's sovereignty. * Trust God with the children He has entrusted to us. * Receive God's grace so we can reflect God's heart to our kids. It's time to breathe deeper, walk lighter, and reclaim the wonder and adventure of parenting.

Accelerate Richard Ross 2015-08-15 As a parent, you stand at a crossroads. If you repeat the parenting approaches of the past, your children may well become 20-somethings similar to those today--living in a never, never land between the teenage years and adulthood. Or you can seek the wisdom of the Holy Spirit and link arms with church leaders and other significant adults to begin to parent in fresh new ways. Those fresh approaches are the focus of this book. Soon you may see your own high school graduates well on their way to adulthood, deeply in love with Christ, and wanting nothing more than His glory. *Accelerate*, written by Richard Ross, is a book designed to help parents challenge and parent their students in fresh new ways. Train Up a Child in the Way He Should Go...

Gloria Huntington 2019-12-14 This 90 day nightly bible study and prayer book is written expressly to inspire new, or new-in-the-faith Christian parents. Psalm 119 is in the middle of the bible, it is the longest chapter in the bible. It is full of wisdom teaching us to love God's law, to write it on our hearts and to write it on the palms of our hands. Repetition is key to learning God's laws so when your children are grown, they will not forget it because they have repeated it so many times. This is crucial for your children so when they are away from you and are afraid, worried, or concerned, they have the comfort of the Word of God to rely on. Each day of teaching begins with a scripture directly from King James Bible Online .org text, then it has a summary from me. Next, there are prayers for you to share with your children so both of you are praying. There is a line for suggestion of using your child/children's names in the prayer. At the end of the prayer we pray daily for our leaders and first responders to protect them, as God asks us to do. After the prayer there is a question and discussion topic for you to encourage better understanding of the scripture and the prayer. Inside the middle watermark there is a little extra suggestions or poems for enhancing bedtime prayers with fun ways to interact together. It is with the utmost hope and love, I write these prayers for you and your children. Repetition is necessary to forge the bridge of safety of God's Word. Be consistent and they will look forward to prayer time each night. God bless You!
