[Every Time a Bell Rings](#) Barbara Ankrum 2019-11-18 Once upon a time, he was everything to her, except for one thing: her future Christmas sparkles from every bough

and window at the cozy Four Winds Ski Resort, where single mother Eden Kendall and her eight-year-old son are spending the holiday. A surprise marriage proposal from her boss's son wasn't on her Christmas list, but it's the perfect excuse to get away and weigh her options. She never imagined her son's ski instructor/Santa impersonator would be the gorgeous, charismatic dreamer she left behind years ago, the one who still owns a piece of her heart. Cole Hagan has never stopped loving Eden and he's spent the last eight years proving her wrong on every count about his potential. While he fights to save the resort that he helped to build by organizing a holiday concert, he decides it's about time that Eden puts aside her list-making pragmatism so that she and her skeptical son can experience the true magic of Christmas. Can a not-so-perfect angel help this unlikely pair get a second chance at happily ever after?

Alexander and Alestria Shan Sa 2009-10-06 re-creating the lives of two of the most intriguing rulers in history, Shan Sa brings us a novel filled with the sound of hooves, the whistle of arrows, blood, passion, and betrayal. The familiar figure of Alexander the Great comes to new life in this richly imagined tale, which entwines his historical legacy with a fantastic love affair set in a wartime between Western and Eastern

civilizations. Abused by his father, King Philip, who loved and hated his beauty; shadowed by his mother, the mystical and overbearing Queen Olympias; educated by Aristotle who wanted him to be a wise philosopher of Macedonia, Alexander develops a complex character. He becomes a brutal warrior, a pitiless strategist, and a poet longing for the world's wonders. Meanwhile, in the remote steppes of Siberia, an abandoned girl grows up among the wild mares, then adopted by the queen of the Amazons—the tribe of female warriors who dominates a wild world of snow and volcano. As a future queen, the young girl is trained to hate men and to fight against all invaders. In the course of his great conquest of Asia, Alexander first meets the stunning Alestria on the battlefield. Surprised to find that his adversary is a woman, he is instantly smitten by the fierce queen. Dazzled by his strength, she decides to kidnap him and make him her "wife." At last, this legendary king—renowned for his beauty and love of men—has found his equal. And at last, this indomitable young woman has found a reason to leave her tribe. Their love, deeply passionate and problematic, evolves against an exotic backdrop of warfare and political turmoil, sweeps from antique Greece to Egypt, across the ancient Iraq and Iran, unto the mysterious kingdoms of India.

The Complete Rigger's Apprentice: Tools and Techniques for Modern and Traditional Rigging Brion Toss 1997-08-22 Combining and updating the renowned Rigger's Apprentice and Rigger's Locker, meets the changing face of modern materials and technology while remaining true to rigging's best traditional principles and practices. It's much more than a knot book, though the knots a sailor needs are all here. It's a book for sailors who want the satisfaction and hard-cash savings of stepping their own masts, inspecting and maintaining their own rigs, and turning their own tailsplines and wire eyesplines. It is for boatowners who want to replace an entire gang of rigging themselves—measuring, choosing appropriate wire, turning soft eyes, leathering, and serving. It is for bluewater voyagers who want to feel secure in the knowledge that, should a shroud carry away far at sea, they will be able to repair it. The Complete Rigger's Apprentice is also a free-roaming collection of useful ideas and tips on everything from supplementing

winches with block and tackle, to rigging snubbers at anchor, to using pantyhose for an emergency fanbelt. In short, it's the definitive book on the art of rigging, written by its most entertaining practitioner.

Education and the Politics of Becoming Diana Masny 2020-10-29 This collection examines education in the light of a politics of becoming. It takes a non-hierarchical transdisciplinary approach, challenging the macropolitics of pre-established governmental and economic agendas for education. Drawing on the philosophy of Gilles Deleuze and Felix Guattari, the contributors consider questions such as how education might engage a politics of becoming, and how education and becoming function in a society of control. Since Deleuze and Guattari contend that a society is defined by its becomings, its transformations, this collection asks how education, itself a process in becoming, may contribute "collective creations" to a society in continual flux. The chapters bring theory and praxis together, deploying power, affect, cartography, space, relationality, assemblage and multiple literacies in order to experiment with music, art, language, teacher education, curriculum and policy studies. This collection is an innovative resource, creating an encounter with the macropolitics of education, and altering teaching, learning, evaluation and curriculum. This book was originally published as a special issue of *Discourse: Studies in the Cultural Politics of Education*.
